Subject to the terms and provisions of this letter, CenturyTel will agree to permit CROSSROADS to adopt the terms of the WWC Agreement, and such adopted terms (this letter and the WWC Agreement collectively referred to as "MFN Terms") shall govern the relationship between CenturyTel and CROSSROADS in the State of Missouri as it relates to the subject matter of the MFN Terms. Please note the following with respect to your MFN Terms.

By your countersignature on this letter, you hereby represent and/or agree, as the case may be, to the following:

In applying the MFN Terms, CROSSROADS agrees that "Crossroads Wireless Holding, LLC" or "CROSSROADS" shall be substituted in place of "WWC License LLC" or "WWC" in the WWC Agreement wherever appropriate.
2. CROSSROADS requests that any notices to CROSSROADS as may be required under the WWC Agreement MFN Terms be provided as follows:

3. CROSSROADS represents and warrants that it is licensed to provide Wireless telecommunications service in the State of Missouri, and that its adoption of the MFN Terms, and/or its adoption of the terms of the WWC Agreement, will cover services in the State of Missouri only.

4. CROSSROADS' adoption of the WWC MFN Terms shall become effective upon approval of this Agreement by the Missouri Public Service Commission and shall terminate pursuant to the WWC MFN Terms.

5. As the Terms are being adopted by you pursuant to your statutory rights under Section 252(i), CenturyTel does not provide the MFN Terms to you as either a voluntary or negotiated agreement. 6. Pursuant to the FCC's ruling in Implementation of the local Competition Provisions in the Telecommunications Act of 1996, Intercarrier Compensation for ISP-bound Traffic, CC Docket No. 96-98, CC Docket No. 99-68, (April 27, 2001), local exchange carriers may not as of May 15, 2001, opt into an existing Interconnection Agreement with regard to the rates paid for the exchange of ISP-bound traffic.

To the extent required by any such subsequently prescribed law, rule, or regulation, the Parties agree to modify, in writing, the affected term(s) and condition(s) of this Agreement to bring them into compliance with such law, rule, or regulation.

8. CenturyTel reserves the right to deny CROSSROADS' adoption and/or application of the MFN Terms, in whole or in part, at any time:

- (A) when the costs of providing the MFN Terms to CROSSROADS are greater than the costs of providing it to WWC;
- (B) if the provision of the MFN Terms to CROSSROADS is not technically feasible; and/or to the extent CROSSROADS already has an existing Interconnection Agreement (or existing 252(i) adoption) with CenturyTel and the MFN Terms were approved before the date of approval of the existing Interconnection Agreement (or the effective date of the existing 252(i) adoption);

9. Should CROSSROADS attempt to apply the MFN Terms in a manner that conflicts with the provisions set forth herein, CenturyTel reserves its rights to seek appropriate legal and/or equitable relief.

10. The Parties acknowledge that CenturyTel is entitled to maintain that it is a rural telephone company (as defined in 47 U.S.C. 153 as provided by 47 U.S.C. 251(f). By entering into this Agreement, CenturyTel is not waiving its right to maintain at some point during the term of this Agreement that it is a rural telephone company entitling it to exemption under 47 U.S.C. 251(f).

Please indicate your agreement to the provisions of this letter by signing this letter on the space provided below and return it to the undersigned.
